-----------------	---

Wine Analysis	Alc 13% pH 3.14 TA 7.8g/L
----------------------	-------------------------------

Oak	15% new French oak for 10 months
------------	----------------------------------

Certification	ACO Certified Organic Vineyard
----------------------	--------------------------------

Winemaking

This wine is a blend of multiple Chardonnay clones from our Tamar Valley vineyard. The grapes were hand-harvested in late March, and gently whole-bunch-pressed to tank. The juice was settled overnight and then racked to 15% new French oak, with the balance to 1-, 2- and 3-year-old barriques. Wines were wild fermented by native yeast, and regularly stirred to enhance texture and palate weight. After 10 months' maturation in oak, the final blend was racked to tank, lightly filtered, and bottled.
