Location	41.20° South, Altitude 45m – 93m 16.9km from the ocean
Wine Analysis	ALC 13.0% pH 3.36 TA 6.19g/L
Oak Profile	15% new French oak for 11 months

Winemaking

A powerful, dark-fruited expression from our Tamar Valley vineyard. Warm, dry conditions brought an early start to the 2025 harvest, with fruit showing attractive depth and concentration of flavour. Grapes were hand-harvested and sorted into small open-top fermenters with 20% whole bunch for added structure and aromatic complexity. Fermentation was handled gently and, after two weeks on skins, the free-run portion was gravity-drained and barrelled down to a mix of new and used French oak. Malolactic fermentation occurred in barrel, followed by 11 months' maturation before the most outstanding components were selected for this flagship blend.
